

# NorChill

Keeps Food & Drinks **HOT** or **COLD** !!!

There is Tons of Technology Packed Into Our Cooler Bags...

NorChill Coolers represent the finest in soft sided cooler design and construction. Our DualTemp Insulation System will keep your food or drinks, hot or cold for hours, while the leak-proof liner will ensure a full day of enjoyment.

*Pack it like a suitcase before you travel,  
unpack and ice it up when you arrive...*

- DualTemp Insulation System - Keeps food and drinks hot or cold.
- Robust Liner - Leak proof, toxin free (lead free), and virtually puncture proof.
- ThermoLock Zipper - Keeps heat and cold where it belongs, inside the cooler.
- Nylon Shell - 600D nylon shell is tear and sweat proof.
- Reinforced Stitching - Ensures the cooler outlives your outdoor adventures.
- Collapsible Design - Rolls up for easy storage.
- Fold Down Clips - Keeps the corners folded and locked down.
- Comfort Handle - Padded handle includes velcro lock to make carrying painless.
- Integrated Side Pocket - Stores keys, cozies, suntan lotion, etc.
- Shoulder Strap - Sling it over your shoulder and go anywhere.
- 2-Year Warranty - Relax, your cooler is guaranteed to stick around.

NORCHILL COOLER BAGS ARE PERFECT FOR ANYTHING YOU WANT TO KEEP  
**HOT, COLD, DRY, or UNDAMAGED**

Food • Beverages • Medicines • Clothing • Towels • Safety Gear  
Cameras • Electronics • Games • Camping • Fishing • Boating Supplies
